## The Bcec

Located in the heart of the city centre at the Holiday Inn, The Birmingham Conference and Events Centre is a purpose built event space within just a 2 minute walk from New Street Station.

Located in the city centre accessible through various transport means such as Birmingham New Street Station, Birmingham International Airport and the motorway network it makes the perfect location for national, European and global events.

Spanning three floors, The Bcec boasts over 2,000 square metres of flexible space, accommodating over 1,000 delegates, from as few as 2 delegates in the Evolve Pod up to 600 for a private dinner in The Mercian.

Our meeting rooms are fully equipped with high-tech equipment for training, presentations

and board meetings. These include ClickShare technology, flat screen smart TVs with Bose sound system, and free hi-speed Wi-Fi as standard across the venue.

Each space has use of a fully stocked refreshment station including still and sparkling mineral water, coffee machines with a full range of syrups and a choice of specialist teas.

Linked to the Holiday Inn Birmingham City centre via a glass walkway allows guest's easy access to 261 onsite bedrooms, along with as local network of IHG properties offering over 1000 bedrooms within a short walk.

## THE MERCIAN

Spanning the second floor of The Bcec is our most impressive suite, The Mercian. A dedicated event space, offering private access and a pre-function reception space overlooking Hill Street.

The Mercian is fully flexible and can be divided into two separate event spaces or used in tandem for a single multi-use event.

The fully functional suite features surround sound Bose speakers, a built in stage with a 5m high performance screen and adaptable

colour change lighting. This blank canvas is perfect for accommodating everything from boardroom to ballroom.

The pre-function space works perfectly for drinks receptions, networking events or private parties.

## GROUND FLOOR

Our light and airy ground floor comprises of 8 flexible meeting spaces, with The Rookeries Suite being the largest, catering up to 160 theatre style. This space has been designed from the mind of an event expert as a blank canvas with fully-flexible with fold-away walls and a built in bar.

## FIRST FLOOR

Our large scale first floor boasts 16 individual meeting suites with two large break out foyers. All of our meeting rooms feature built-in high-tech equipment for training, presentations and board meetings. This includes ClickShare technology, flat screen smart TVs and projectors, flipcharts and free hi-speed Wi-Fi as standard across the venue.

## FOOD OFFERING

Our team of expert chefs work hard to create exceptional menus by adding bespoke touches to showcase their culinary flare and personality. For our day delegates we specifically design dishes with productivity in mind, focusing on anti-oxidants and super foods. Alternatively indulge in one of our magnificent banqueting menus for those special occasions.
